THE BEST PAPER FOR YOU IS THE CITIZEN

THE CITIZEN gives you more than the worth of your money, and is growing better all the time. Just compare it with the other newspapers you see. You can get others as cheap, but either they are not as good, or they are not made for the mountains, or they do not give as much. Just look at a few of the things we are giving you now. **NEWS**—all the news of the world, of this country and of the state that is worth reading. All the news of the mountains that we can get, and more than any other paper gives. All the news of dozens of mountain towns, where correspondents write to us every little while. **CATTLE**—All the latest cattle prices, also the prices on ties, and tanbark, and spokes, etc. **FARM HINTS**—A good column and sometimes more of hints that will help in the work on the farm. **HOME HINTS**—Good hints on housekeeping by an expert. **SCHOOL**—A running article on how to teach, to make your school one of the best in the state, by one of the best teachers in the state. **THE SUNDAY SCHOOL LESSON**—A full column every week. **STORIES**—A fine, good, interesting, exciting serial story all the time, and often a good short story a week. **TEMPERANCE**—A column of good reading about temperance. **AND OTHER THINGS**—You all know how many other good things you get in THE CITIZEN, many of the things that you can't get in any other paper. . . . And all for \$1.00, the price of lots of poorer papers. That is our best bargain. Don't miss it. Send in your dollar for another year, if your subscription is out.

ALL FOR \$1.00

Lots of poorer papers charge as much—other papers as good charge more.

In order to make our offer still more attractive, we arrange to give subscribers bargains with their paper. We used to give some of these things away, but we have made the paper so much better that we cannot afford to do that any more. You can get all these things with THE CITIZEN cheaper than any where else, and besides get a better paper than you can get any where else. These are the offers:—

- No. 2:—The Farmers Rapid Calculator,** a thirty five cent book that is worth several dollars to any up to date farmer. It tells what you want to know about almost anything on the farm. It is a good book on diseases of horses, cattle, sheep, and hogs; tells you how to know what is the matter and what to do. It gives figures, tells you how to reckon interest if you have borrowed or loaned money, or how many bushels of corn there are in a load that weighs so much, or how to measure the corn in a crib, or in a pile, and how much seed it takes to plant an acre, or how many brick to build a chimney and lots of things of that kind. And it has places for you to keep account of your expenses and earnings, and of what you bought and sold, and anything else you want to remember. If you are a farmer, it is just the thing you want. The Calculator 35 cents. The Citizen \$1.00. Both, worth, \$1.35 for \$1.10.
- No. 3:—The National Handy Package.** Just the thing your wife has been looking for. Needles and pins of all kinds. More than a quarter's worth, but it usually sells for a quarter. We sell it with The Citizen for ten cents. Handy Package, 25 cents, The Citizen \$1.00. Both, worth, \$1.25 for \$1.10.
- No. 4:—A book, "The Mountain People of Kentucky."** By William H. Haney a mountain man, telling the history and the present condition of the mountains as he sees them. The book is worth \$1.50, but we will sell it with The Citizen for 50 cents. The book, \$1.50, The Citizen \$1.00. Both, worth \$2.50 for \$1.50.
- No. 5:—Another book, "Jesus of Nazareth."** A fine life of Christ, by the Rev. Dr. William E. Barton. Both, worth \$3.50 for \$2.00.
